To the student: According to the rules of the University of Würzburg, you need to choose at least 20 ECTS-points per semester. Important advice: In case your home university demands to choose more than 20 ECTS-points per semester, you have to comply with the regulations of your home university! Please also note that courses chosen need to be followed. In case of significant difference to your study plan you may be asked to specify about your reasons and in severe cases may be charged to pay back your financial grants!
